

Project „Developing skills of youth from the Orhei National Park on nature conservation and sustainable development”

Implementer: Orhei District Youth Centre “Pupils oriented to science”

Grant amount: 1052 \$

GOAL

To train young people about nature interpretation and conservation, and mobilizing them to valorize the potential of natural resources around Orhei National Park.

Activities:

- Conducting a series of educational classes about Orhei National Park in 15 educational institutions from Orhei district.
- Arranging a green space in the courtyard of the Theoretical High School "Onisifor Ghibu" in Orhei.
